

Catalpa - not native to Pa = Golden Book Trees

Acquired but by right man as denotation, C Brooke
but not mentioned by Mrs K., if had been, so den-
atue

Size not of great age - planted by Clingan
boys at suggestion of Agricultural - unded
teacher.

When cut shld be ring-counted.

IF SO RARE, WOULD NOT MRS. K have been
impressed + show them on her "maps."

Size - age suggest late planting, perhaps by
Clingan boys as an influence from an agricul-
tural - unded school teacher. Were grown for
fence posts. If + when cut ring-count shld
be made.
